

## Keile

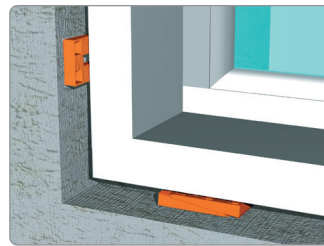

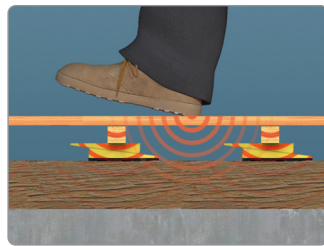

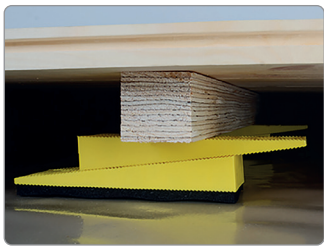

# Wedges

-for blocking up floors, assembly and distance levelling

- Quick and easy handling
- Tested for compressive load
- Does not split when piercing nails or screws
- Not affected by moisture, rot or fungus
- Sharp, staggered saw teeth provide accurate and non-slip clogging - also laterally
- Economical and time-saving in use
- No toxic smoke in case of fire
- Produced according to ISO 9001:2000

The Danish construction industry has used Knudsen Kiler for more than 25 years. The wedges are very usable and easy to handle. Knudsen Wedges secure a solid foundation that endures massive weight and subsidence, which is why the wedges are recommended by leading floor manufacturers. Knudsen products are made from high quality PE (Polyethylene). Additives are added that secure lifespan and optimal strength without deformation.

	H	W	L	Max kg		Pcs / Carton / pallet			Item number
